PHOTOS

Upload your own photos or choose from Canva's free library. Drag the photo you want to use to the "uploads" section on the left hand menu. You can then drag the photo into the frame in the design.

COLORS

Change the background colors to match your brand's style and aesthetic. To change the color of an element, click on the element and pick a new color on the top navigation bar.

Pile on promotions

Food holidays are prime time for freebies and discounts. Nothing motivates a diner to press 'order now' more than a good deal. Try one of these promotions to celebrate your delectable dishes:

- Free menu item
- Dollar off a menu item
- Percentage off a menu item
- Free delivery
